## Announcement

---

THE SHORTHORN BREEDERS OF OHIO HAVE LONG BEEN RECOGNIZED AS PRODUCERS OF TOP SHORTHORNS. Shorthorn history and tradition have been made and retained by the efforts of our many able breeders. It is the intent of the members of the Ohio Shorthorn Association to make the Ohio Sale one of quality, and this thought is continually stressed when we are selecting cattle for our sales.

It is not the claim of the sale committee that each animal is outstanding, but we can safely say that this sale will be noteworthy by the absence of inferior cattle. No doubt you will be interested in knowing what our breeders are doing nationally. Consignors to the Shorthorn Congress Show and Sale who are also selling through the State Sale had cattle that were royally received. One of the very top females was an Ohio bred female.

We are offering but eleven bulls, but we feel it is better to offer fewer bulls, but better bulls, so we do not hesitate to recommend these bulls as the improving kind. We are particularly proud of the excellent female consignment, as they are coming from many of the best herds in the state of Ohio. Many of these females were shown at the State Shorthorn Show where much favorable comment was manifest by numerous breeders that were in attendance. We ask that you study the pictures of many of the cattle that are being offered, as they will stand inspection. We also ask that you study the breeding, conformation, and color of this beautiful lot of young cattle. We offer both bred heifers, that in many cases will be carrying the services of some of the top bulls in this country, and a very select group of open heifers that are near breeding age, so you may have them to breed to your own good bull at an early date. Many of our breeders have dug deep into their herds to support this sale, so it is our sincere hope that you will attend the show and sale and support these breeders who are carrying the load for Shorthorns in Ohio.

It should be worthy of note that the Ohio Shorthorn Breeders' Association Sale had the best average of any state sale in the country last year, and with the good kind of cattle that we are offering and the continuous upswing in demand for first-class Shorthorns we can see no reason why we will not be able to retain this enviable position. All of the cattle will be shown beginning at 9 a. m., with the Junior Judging Contest participants working at the same time, so come early and enjoy a profitable day with us. The sale will begin at 1 a. m. Lunch will be served at the sales barns.

To all their friends, the consignors to the Ohio Shorthorn Breeders' Association Sale extend a most cordial invitation to be with us January 24th, at 6:30 p. m., at the Neil House, Columbus, Ohio, at which time we are having a banquet and Annual Meeting of the Ohio Shorthorn Breeders' Association, along with the awarding of prizes to the winners of the Junior Judging Contest. Please advise us as to the number of plates you wish to have reserved.

## Information Regarding Junior Judging Contest

---

The Ohio Shorthorn Breeders' Association is holding its annual show and sale on January 24, 1946, at the Producers Horse Sale Pavilion in Columbus, Ohio. The Shorthorn breeders of Ohio have desired for some time to interest the younger generation in good Shorthorn cattle. We propose to do the following:

We have asked Professor D. J. Kays, head of the Animal Husbandry Department at Ohio State University, and L. P. McCann, beef cattle extension specialist of the Ohio State University, to judge the sale cattle preceding the sale. The judging is to begin at 9 a. m. January 24th. Here is the part that should induce you to contact the youth of your immediate vicinity and interest them in taking part in this event. Breeders of Shorthorns in Ohio are giving away three steers that will do for club work or vocational agriculture projects for 1946, and we also have \$200 in cash to purchase equipment such as show halters, combs, brushes, show sticks and trophies, as well as cash awards to be presented to the top judges among the boys and girls that compete.

The judging contest is open to any boy or girl in the state of Ohio under 21 years of age. We have divided these boys and girls into the following three age brackets: Ten years through 13 years, 14 years through 17 years, and 18 years through 20 years of age. The awards will be based upon individual judging ability, and not as units or teams. We will have approximately six classes to be placed officially, and we will have placing cards available for the boys and girls to mark the placings on.

There will also be a showmanship award made. This will also be judged by Professor Kays and Mr. McCann. The cattle and show sticks will be furnished. There will be several prizes in this event. Make your entry with me any time up to 9 a. m. January 24th.

The evening of January 24th we will have a banquet at the Neil House in Columbus, Ohio, at which time we will have a program that will be very suitable to the youth that is interested in livestock. The program will consist of an address by a prominent livestock man, and we will show the pictures of Shorthorn Production in the Argentine, as presented by the American Shorthorn Breeders' Association.

We will appreciate your passing this information along to the boys and girls in Club work, vocational agriculture work, or any other interested boy or girl in your community. There is no entrance fee. All that is requested is that you let us know approximately how many boys and girls will be competing from your area, and have the boys and girls at the Producers Horse Sale Pavilion ready to begin their judging at 9 a. m. January 24th. We feel that this is a grand opportunity for the youth of Ohio to attend an outstanding livestock event, and at the same time have a chance to compete with other youths of their age for numerous worthwhile prizes.

If you desire further information we will be happy to supply it.

**Donhil Pilot Mercury 2255254**—This bull comes from the Lavender tribe, and we see a great lot of outstanding sires in this tabulation. We find that he is sired by one of the very top sons of Calrossie Mercury, the Perth grand champion, and a bull that has written a lot of outstanding history into the Shorthorn rings of this country. The Congress grand champion bull in 1943 was sired by Calrossie Mercury, and the dams of the past two Congress grand champions were sired by Mercury. Everyone familiar with Shorthorns realizes what great worth this bull has been to our breed. This sale bull is perhaps the best son of Edellyn Supreme Mercury. He is a very rugged, thick and deep bodied bull, carrying the head of a sire, and very thick and deep in his hind quarters. His dam is a dark roan cow of approved type that raised twin calves without any aid from a nurse cow. This bull will suit many of our better breeders.

Cloverleaf Graham 2289102—We see that this bull is sired by a son of Browndale Commander. It is generally considered that Browndale Commander did a wonderful job over the last ten years as a sire of outstanding bulls and females. We see the good producing Lavender Princess tribe as the dam of the sire of this bull. This bull comes from the Gwynne family, and we see the International grand champion, Raveni Masterpiece, in the third generation along with Cloverleaf Royal, another great breeding bull. You will find this calf to be on the thick order and with enough size to please anyone.

Robinwood Bonny Boy =270821= 2274166—In this tabulation we see a great wealth of the best in Scottish and Canadian breeding. This bull is a good, rugged son of Braedoom Bonny Boy by the Russell, Collynie Royal Barrage. We see considerable Duthie Webster breeding in the third generation. The dam is an Augusta sired by the Duncan Stewart bred Millhills Ransom. This bull has made an enviable record as a sire. No doubt this bull is carrying the blood of two of the greatest bulls ever used in Canada, and he has every reason in the world to be a sire of much worth.

Irvine Rufus Mandate 2d 2268402—Here we have a red grandson of the imported Mill Hills Rufus by Collynie Mandate. We also see Brawith Count and a doubling up of Maxwalton Climax in this tabulation. This bull comes from the Maxwalton Duchess of Gloster tribe, and it would be hard to improve on his pedigree. There is a great wealth of dark cattle in this tabulation, so one may be assured that this bull will sire a wealth of dark colored calves for him. This herd is accredited for T. B. and Bang's disease.

Clay Hills Ruler 2209099—This is a short legged thick bull from a family that has proven very prolific in the Stander herd. A solid dark red full sister is being retained in the herd. We see that this bull is sired by Marellbar Waverly, a bull that stood second to the Nelson trophy winner at the last International. This calf is a double bred Collynie Royal Barrage, with a great wealth of dark colored cattle back of him. Vaccinated for Bang's disease and accredited for T. B.

Watt Acres Templar 2290997—In this calf we have what has many times been described as the best herd bull prospect ever bred at Watt Acres Farm. We see that the dam is the red Eliza cow sired by the great Larbert Templar. We ask that you study the picture of this grand calf, but realize that this picture was made when this bull was but six months of age. He has developed exceptionally well the past six months and, no doubt, he will suit the critical. Of course he is also sired by the sire of Champions, Watt Acres Prince.

Elmhurst Charity 2d 2284649—We see that this heifer is sired by a son of O. A. C. Ransom 21st, the bull that was grand champion and top selling at the Wapakoneta Shorthorn Sale last spring. We find that the dam also was imported, so again we have a concentration of the best in old country breeding along with our good Canadian herds. She is a distinct attraction at our sale. She sells open.

Elmhurst Lavender 2d 2276411—We find that this heifer is sired by Edellyn Modern Mercury, a bull that Edellyn retained as herd bull insurance for their herd, and he saw liberal use in the great Edellyn herd until sold to the Elmhurst herd at a long figure. This bull has proven an outstanding sire of both bulls and females since coming to Ohio. Of course, he is sired by the Perth Supreme champion, Calrossie Mercury. We see the Miss Ramsden family on the sire's side. On the lower side we see that this heifer comes from the Lavender tribe with the two old country bulls, Mount Nimrod and Cluny Clarendon, showing in the second generation. This heifer is a beautiful red with a very feminine head, and a heifer that is showing a lot of balance. We see that she carries the blood of Collynie Royal Leader on both sides of her tabulation. No doubt she will prove to be an attraction. She sells open.

Greenwood Dorothy 7th 2251303—We have a great combination to offer in this animal. We see that the second sire is the imported Cluny Brigadier Command by the great old country bull, Calrossie Command. We then have Browndale Thistle by Browndale Count. On the lower side we see Goldspur's Baronet 2d, a wonderful show and breeding bull in the Mather's herd. On the extreme lower bracket we see Divide Eclipse. This heifer comes from the Lady Dorothy family and to add more power to this heifer's worth she will be bred to Edellyn Royal Leader 6th, one of the very best sons of Edellyn Royal Leader, a bull that is writing a new chapter in the Shorthorn production of this country. It will be recalled that in his two crops of calves he sired two Congress grand champion bulls and two reserve champion females at the same show. Anyone familiar with Shorthorn breeding is well aware of what an imprint this Royal Leader breeding is leaving on our industry.

A. M. Gordon Clipper 2d 2222790—This heifer comes from the Clipper tribe, and was the champion heifer at most of the county fairs where she was exhibited. Mr. Stangel says that she is about the best balanced heifer that he has ever offered for sale. She is also sired by a good son of Browndale Commander, a bull that we all appreciate as working great improvement in the Shorthorns in Ohio. On the dam's side, we see that the breeding comes through the W. H. Steva and Cloverleaf Farms.

**Stamp's Sempstress 5th**—The background of this heifer is excellent. We find that she is a red sired by Browndale Stamp, a bull that is nationally known as a sire of good cattle. He was the Jr. Champion bull at the Ohio State Fair in 1938. This heifer comes from a family of cattle that has proven of great value in the Tudor herd. The dam of this sale heifer has been the most profitable cow in the Tudor herd and some of her produce has always been in the show herd. She sells open.

**Augusta Lady 5th**—This beautiful bred Bruce Augusta will prove one of the attractions of our sale. We ask that you study her picture. She is every inch as good as the picture shows her to be. She is one of the most choice heifers ever to come from the Tudor herd. Many of you will remember her full sisters as they were quite an attraction in 1942 and 1943 at the shows and sales. A full sister to this heifer sold at a long price to Maxwalton Farms, while another full sister won her class at the State Shorthorn Show in 1942, and was one of the most popular heifers in that show. She sold at a top figure to Carl Cross of Rockford, Ohio. We can recommend this heifer very highly, as she has the breeding and individuality to match. Of course, she is sired by Browndale Stamp. Here is a grand opportunity to improve your herd.
